

CHIHUAHUAN DESERT GRASSLAND | RECOMMENDATIONS

- 1 Garden Introduction interpretive sign
- 2 Loop trail that offers various viewpoints along the trail from which to see the water tank
- 3 Area planted with grasses characteristic of Chihuahuan Desert Grasslands
- 4 Sculptural plants and sculptural art works dot the landscape among the grasses
- 5 Path widens at Memorial Wall on west side of water tank. A bench faces the wall on opposite side of path. (See concept sketch on next page.)
